## VENTURE CLUB

Join the Lexington Venture Club as we welcome many new companies to Lexington with a panel discussion led by some of the newest additions to the Bluegrass Region entrepreneurial community. The company panel will talk about the new technologies they are commercializing and why they chose Lexington as their new home. The panel will include TwinStar Delivery Systems LLC, Directed Energy, Inc., Mercury Data Systems, Inc., NOHMs Technologies, and Care Team Solutions, LLC. Attendees will also have an opportunity to hear the winner of the 2013 5Across pitch competition.

**Wednesday, January 15, 2014**

**11:30 - 1:30 at the Hyatt Regency Lexington**
